Heard both sides. This is an application for condonation of delay of 19 days in filing the appeal under E.S.I.Act. Taking into account the grounds mentioned in the application, I do not see any reason why the application should not be allowed. In view of this position, the application is made absolute in terms of prayer para (3) of the application. The delay stands condoned and the application is disposed of with no order as to costs.
